Re: *Everytown for Gun Safety Support Fund et al. v. Bureau of Alcohol, Tobacco, Firearms and Explosives et al.*, 21 Civ. 0376 (ALC)

Dear Judge Carter:

Pursuant to the Court's order of February 11, 2022, ECF No. 53, I write respectfully on behalf of all parties in this case to provide a further status report regarding the voluntary inspection by the Bureau of Alcohol, Tobacco, Firearms and Explosives ("ATF") of JA Industries LLC ("JA Industries"). As discussed in our previous letters, Plaintiffs' complaint in this case alleges that JA Industries was ineligible for a federal firearms license on various grounds.

ATF hereby reports that it has completed the inspection of JA Industries discussed in the parties' prior letters to the Court. The record, including the latest inspection results, is currently before the deciding official for appropriate action. While the agency had previously suggested it would make a decision within approximately 30 days from the last report, its decision is not yet final. The agency currently intends to finalize its decision within the next two weeks. The parties thus propose that they provide a further status report to the Court on or before March 30, 2022.

I thank the Court for its consideration of this matter.

Respectfully,

DAMIAN WILLIAMS
United States Attorney
